## The Best of Both Worlds

Featuring incredible weight capacity in a sleek, slim profile, the M8 Monitor Arm is the perfect fusion of style and strength.

Through its unique construction, the M8 accommodates the widest range of monitors available today, virtually any single- or dual-monitor configuration up to 18 kilograms (40 pounds). And unlike other high-capacity monitor arms, whose bulky designs restrict their performance, the M8 offers effortless adjustment and flawless ergonomic function.

## Features

- Modular design features interchangeable links to accommodate any application
- Built-in security system provides effective theft-deterrent for public areas
